

## Online and Mobile Banking Terms and Conditions

### ONLINE BANKING AGREEMENT

#### **Accepting the Agreement**

This Online Banking Agreement between you and First National Bank of Stanton ("the Bank") governs accessing accounts and conducting transactions via the internet through our online and mobile banking site(s) ("Online Banking"). These services permit our customers to perform a number of banking functions on accounts linked to the service using a personal computer or mobile device. Online Banking can be used to access products and accounts made available by us. The applicable Depository Terms and Conditions also govern each of your accounts. The first time you access your accounts through Online Banking, you agree to be bound by the terms and conditions of this agreement and acknowledge its receipt and your understanding of its terms.

#### **Relation to Other Agreements/Accounts**

Your use of Online Banking may also be affected by the agreements between you and us for your accounts with us. When you link an account to Online Banking, you do not change the agreements you already have with us for that account. You should review those agreements for any applicable fees, for limitations on the number of transactions you can make, and for other restrictions that might affect your use of an account with Online Banking. The terms and conditions set forth herein are in addition to, and do not cancel or supersede, any other agreements or signature cards governing your deposits, loans or other business relationships with us. All of the terms, conditions, agreements, representations, schedules, disclosures, and fees set forth in or associated with such other agreements and signature cards remain in full force and effect. Any account that requires two or more signatures to make withdrawals, transfers or other transactions may not be eligible for services online. In any event, you recognize that any requirement of verifying two signatures on checks, if such a requirement exists, does not apply to electronic transfers and release us from liability when making such transfers. This means that any person who is authorized to act as a signer on your account shall be authorized by you to individually make electronic transfers through Online Banking from your account, even though that person's authority to transfer or withdraw funds from your account by some other means (e.g., by check) must be exercised jointly with one or more other persons.

#### **About Online Banking**

Through Online Banking, you can manage eligible accounts from your home or office on a personal computer or mobile device. Online Banking can be used to conduct any of the following services online.

- You can obtain balances and transaction histories on all eligible accounts enrolled in Online Banking. All account balances and transaction histories reflect activity through the close of the previous business day.

- You can transfer money between your eligible accounts. The number of transfers you can make from an account is limited as described in the applicable account agreement with us. In addition, if a hold is placed on any funds deposited in an eligible account, you may not transfer the portion of funds being held until that hold expires.
- You can transfer money to pay the Bank for overdraft protection, consumer loans, or certain other eligible loans.

### **Access to Accounts**

You may request to access any account of which you are an authorized signer or owner. If you desire services that allow you to initiate payments or transfers from the account, you will need the required withdrawal authority over the account to be able to complete the transaction. By using Online Banking, you agree to maintain one or more accounts with us and to keep sufficient balances in any account to cover any transaction and fees that are ultimately approved by or related to your use of Online Banking. You understand and agree that any one user can initiate transactions (including funds transfers or bill pay transactions) from any of your accounts using Online Banking regardless of whether the user is an authorized signer on those accounts and regardless of whether any of those accounts normally require two or more signatures or have other restrictions. You are agreeing that we may consider all such transfers as having been authorized by you.

### **Business Days/Hours of Operation/ Accessibility**

Our business days are Monday through Friday, except legal bank holidays. Online Banking is available twenty-four (24) hours a day, seven (7) days a week, except during maintenance periods, for scheduling, modification, or for review of funds transfers and balance inquiries. However, at certain times, some or all of Online Banking or other online services may not be available due to system maintenance or reasons beyond the Bank's control. The Bank does not warrant that Online Banking or other online services will be available at all times. When unavailable, you may use our telephone banking system, or a Bank office to conduct your transactions. An online service transaction initiated prior to three (3) PM (Central Time) on a business day is posted to your account the same business day. All transfers and stop payments completed after three (3) PM (Central Time), or on a non-business day, will be posted the following business day.

### **New Services**

We may, from time to time, offer and introduce new services to Online Banking. We will notify you of the existence of these new products and services. By using these services when they become available, you agree to be bound by the terms contained in this Agreement, any attachments and subsequent amendments.

### **Security & Protecting Your Account**

We are strongly committed to protecting the security and confidentiality of your account information. We use several techniques to help secure Online Banking, including the following:

- You can access Online Banking from any computer or mobile device with internet access and a secure web browser such as Microsoft Internet Explorer, Chrome, Safari or Mozilla Firefox.
- Your account numbers may be displayed in full for a “current session” but, generally will show no more than the last four digits.
- You must obtain from us and have a valid Login ID and password to log on.
- You will be required to log back in to Online Banking a session time out exceeds fifteen (15) minutes.
- If the computer you are using is not familiar to us, you will be prompted to enter a secure access code (for identification purposes). Mobile device specific information including but not limited to phone number, international mobile equipment identity (IMEI) or electronic serial number or device type may be used for additional authentication when accessing Online Banking through a mobile channel.

In addition to using a secure web browser or supported device specific application, you must have a Login ID, a password and maintain one or more of the following eligible accounts at the Bank: checking account, savings account, time deposit account, or loan. Any account that has not had customer activity within the last year (dormant) or has been restricted for death, lost checks, garnishment, or levy is not eligible for transfers. Online Banking log in information may be deleted from our systems for non-use if the log in and password have not been used for a period of six (6) months.

Your password will give you access to your accounts through Online Banking. The Bank is entitled to act on any instructions it receives using your password. For security purposes, it is recommended that you memorize your password and do not write it down. We also recommend that you change your password regularly to try to avoid misappropriation by a third party. You can change your password while on our Online Banking System. The Online Banking system will require you to change your password every 90 days. You are responsible for keeping your password and account data confidential. When you give someone your password, you are authorizing that person to use Online Banking and other online services. We will therefore consider any access to Online Banking through use of valid security credentials to be duly authorized by you, and we will carry out any instruction given regardless of the identity of the individual who is actually operating the system. You are responsible for all transactions performed using your password,

even if you did not intend or authorize them. In addition, fraudulent transactions initiated using your password will be charged against your account(s). If you believe that your password may have been lost or stolen, notify us at once at 1-432-756-3361 or email [custserv@fnbstanton.com](mailto:custserv@fnbstanton.com).

The Bank is not responsible for any electronic virus that you may encounter using the online services. You confirm that you have investigated our Online Security Procedures and that you have instituted the proper controls for access to Online Banking through your computers, mobile devices and terminals. You confirm that the security system and controls are commercially reasonable for your business and appropriate for your personal accounts. You agree that you are responsible for the performance and protection of any browser or operating system used in connection with Online Banking, including the prompt adoption of all security patches, installing and keeping up to date any malicious code security ("anti-virus") and other security measures issued or recommended from time to time by the suppliers of such software. We encourage you to scan your computer, mobile devices and removable storage routinely using a reliable virus protection product to detect and remove viruses. If undetected and unrepaired, a virus can corrupt and destroy your programs, files, and hardware.

### **Electronic Mail (E-mail)**

Sending e-mail is a good way to communicate with the Bank regarding your accounts or the online services. However, e-mail sent via your own software may not be secure. You should not include confidential information, such as account numbers and balances in any e-mail to the Bank. You cannot use e-mail to initiate online service transactions. All such transactions must be initiated using the appropriate functions within Online Banking. The Bank will not be liable for any errors, omissions, claims, or problems of any kind involving your e-mail.

### **Equipment**

We are not responsible for any loss, damage, or injury related to or caused by any use, misuse, or failure of your equipment. Neither are we responsible for any loss, damage, nor injury related to or caused by any deficiency, malfunction, or failure of your software, hardware, or internet connection.

## **EFTA and Regulation E Disclosures**

Some of the accounts to which you have access through Online Banking may be governed by the Electronic Funds Transfer Act (EFTA) and Regulation E. In general, the EFTA and Regulation E govern accounts established by a natural person primarily for personal, family, or household purposes. The following terms and disclosures apply to accounts governed by the EFTA and Regulation E ("EFTA Accounts"), and, with respect to EFTA Accounts, if there is any conflict between these disclosures and terms set forth elsewhere in this Agreement, these disclosures shall control. These disclosures do not apply to accounts that are not EFTA Accounts. If your password has been compromised and you tell us within two (2) business days after you learn of the loss or theft, you can lose no more than \$50.00 if someone used your password without your permission to access your account. If you do NOT tell us within two (2) business days after you learn of the loss or theft, and we could have stopped someone from taking money without your permission had you told us, you could lose as much as \$500.00.

In addition, if your statement shows withdrawals, transfers or purchases that you did not make or authorize, please notify us immediately. If you do not notify us within sixty (60) days after the statement is first sent or made available to you, and we could have stopped someone from taking money if you had told us in time, you may not get back any money lost after the sixty (60) days. If extenuating circumstances, such as a long trip or hospital stay, kept you from telling us about these circumstances, the times in this section may be extended. You are fully obligated to us to provide sufficient funds for any payments or transfers you make or authorize to be made. If we complete a payment or transfer that you make or authorize and we subsequently learn that you have insufficient funds for the transaction, you agree that we may reverse the transaction or offset the shortage with funds from any other deposit account(s) you have with us to the extent permissible by the applicable law and the terms of any other relevant agreements.

## **Limitation of Damages and Liability**
